

# OHS for Managers and Supervisors – 1 Day Course

**Description:** This one (1) day face to face course will provide Managers and Supervisors with the necessary skills and knowledge to participate effectively in Occupational Health and Safety matters at their workplace. The foundation of this course is based on the practical application of the Occupational Health and Safety legislation, including roles and responsibilities.

**Learning Outcomes:** On completion of this course participants will be able to:

- Interpret and apply the Occupational Health and Safety legislation.
- Understand roles and responsibilities within the workplace including the concept of Due Diligence.
- Know what enforcement measures are in place.
- Understand and apply a number of consultation, co-operation and communications strategies for a safer workplace.
- Apply the principles of Risk Management, including identifying hazards and assessing and controlling risks.
- Create and implement a critical risk register.
- Understand which incidents are notifiable under the legislation.
- Develop and implement strategies to make their workplace a safer environment.

**Training Delivery:** This course can be customised by experienced and qualified safety facilitators to suit your organisational needs. It will include a variety of training delivery methods designed for your working environment and to enable participant interaction.

**Investment:** On-site delivery costs (maximum 20 participants). Price on application. Discounts apply to Safety Partnership Program members.

**Certification:** Participants will receive a Certificate of Attendance.
