

Safety Partnership Program

Safety Australia Partnership Program

We understand that improving workplace safety is a journey and we are all at different stages. That's why we have introduced the **Safety Australia Partnership Program**. The program has flexible options, so that we can provide as little or as much Workplace Health & Safety support you need for your organisation.

Why Join the Safety Australia Partnership Program?

Many businesses are conscious of the need to comply with WHS legislation. Being part of the Safety Australia Partnership Program means you have access to our network of safety professionals who can guide you through your safety journey. Our consultants will work with you to gain an understanding of your business requirements so that we can deliver high quality, cost effective solutions that suit your organisation. Our packages have been designed to help organisations of all sizes and discounts apply to a range of services.

Discount on Services

You will have access to our WHS services and training courses at a discounted rate. Our services cross over all areas of our safety business and include areas such as:

- Safety Consultancy Services
- Onsite Workplace Health & Safety Support
- Permanent Recruitment Services
- Safety Networking Events
- Safety Training Courses
